

# HELPING YOU MANAGE YOUR ENERGY, WATER & MERCHANT SERVICES, AND ACHIEVE INDEPENDENTLY VERIFIED CARBON NEUTRALITY

## A MEMBER BENEFIT

Suffolk Chamber of Commerce is pleased to be working in partnership with Chamber member Auditel, the independent cost, procurement and carbon specialists, to bring you Suffolk chamber Utilities.

This member-only scheme helps you manage your utilities so you can focus on what matters most: your business.

Staying on top of your electricity, gas, water, wastewater and merchant services can be confusing and time-consuming.

Your Suffolk Chamber membership gives you access to a local, established specialist who can advise what's best for your business and the environment, and ensure costs are always optimised.

### Help with reducing your costs and your carbon footprint

As the cost of energy continues to rise, we are all taking steps to reduce our use and lower our utility bills. Tackling this whilst trying to ease carbon emissions can seem like a minefield, which is why we are providing our members a simple solution through a trusted, local firm.

Suffolk Chamber Utilities provides a trustworthy and well-established whole of market solution to help you find a renewable, competitive solution that is the best fit for your business.

### Suffolk Chamber members benefit from:

- Independent advice
- 100% renewable options for both electricity and gas
- Full implementation service
- Ongoing assistance year-on-year
- Help achieving BSI specification for carbon neutrality
- National supplier relationships through a local service
- Reduced charges, zero fee & personal account manager
- Over 80 years combined experience in utility procurement, management, audits and associated services

### Merchant services: helping your customers to pay you

Research confirms that payments by card will continue to increase. E-commerce, phone payment, pay-by-link, payment gateways, card machines, EPOS integration – all are in increasing demand, and charging is varied and inconsistent.

Suffolk Chamber Utilities have partnered with acceptcards®, the UK's leading independent payments broker, to deliver secure & competitive solutions. Whether you're a small business looking for a single payment device, or a large company requiring many and various solutions across multiple channels – it pays to use Suffolk Chamber Utilities.

Understanding card-holder expectations, comparing providers, calculating costs and ensuring you are protected against fraud is no mean feat – and this is where Suffolk Chamber Utilities can help Suffolk Chamber members find their perfect payment solution.

All of this is offered exclusively to Suffolk Chamber members and delivered by a trusted, local business and fellow member of Suffolk Chamber of Commerce.
