

Suffolk Chamber of Commerce Policy Group notes

Name of group	Net Zero Group (NZG)
Date of meeting	Wednesday 19 October 2022
Chair/Author	Richard Buckingham/Emma Alderton
Summary of presentations/guest speakers	
<p>Darryl Newport – University of Suffolk Sustainability Institute</p> <p>Malcolm Waugh - Frugalpac</p>	
Key feedback/responses	
<p>The group enjoyed hearing about both the Sustainability Institute and Frugalpac’s success. During the introduction portion of the meeting, several participants expressed an interest in collaboration with other members and so Suffolk Chamber will look to create a contact sheet.</p>	
Links to reports/presentations shared

Recommendations for Suffolk Chamber policy positioning	
<p>The arrangement of the Net Zero group was welcomed and encouraged as a space for participants to engage. Suffolk Chamber is encouraged by this and so will continue to make this important issue a priority.</p>	
Recommendations for development/Suffolk Chamber action	
<p>The group is keen to hear from suitable speakers around alternative fuel options such as Hydrogen or Hydrogenated Vegetable Oil.</p>	
Requests for group engagement/information	
<p>No task and finish group has been arranged at this time, but there could be recommendations for future in depth research as appropriate.</p>	
Forward plan	
<p>Suffolk Chamber team to source speakers for the next group meeting that can speak around alternative fuel sources.</p>	
Date of next meeting	Wednesday 19 April 2023 - 3pm-5pm
