About our events

Suffolk Chamber Networking Lunches: These popular events take place monthly at prestigious venues across the county and offers a great opportunity for business networking. With an average of 85 business delegates at each event and with local and national business speakers, this is the flagship Suffolk Chamber event on the monthly calendar and sees a wide range of local business leaders attending. These events are promoted to over 7,000 business contacts in Suffolk.

Town Chamber events: Our town Chambers in Bury St Edmunds, Haverhill, Ipswich, Lowestoft and Newmarket each host a monthly networking event attracting between 30-60 delegates. Local business leaders regularly attend and the events include a speaker on local business issues.

Sector Groups

Suffolk Business Women: With over 1,400 members, this award winning networking group hosts regular lunches with inspirational speakers along with informal Elevenses and Afternoon Teas.

Suffolk Chamber International: These regular export networking events ensure that participants can remain up to date and benefit from the wealth of knowledge available to them on international trade. We also offer training events to help expand your International Trade knowledge and skills and hub events for experienced exporters to meet and discuss various topics.
