5G Insights & Updates

## 5G Insights & Updates – March 2025

*Empowering Suffolk businesses through digital connectivity*

The Suffolk Chamber is proud to host the Suffolk Business Digital Champions group—an initiative committed to unlocking the potential of 5G for businesses across our region.

As part of our Transport & Infrastructure priorities, the Digital Champions are focused on:

- ✓ Raising awareness of 5G's benefits within the local business community
- ✓ Advocating for infrastructure investment to support widespread 5G rollout
- ✓ Supporting businesses in navigating the fast-evolving digital landscape

A key focus of this work is exploring how 5G technology can transform operations and spark new growth opportunities across sectors.
